Attendance Matters

As a school, we have always had really good attendance compared to other schools in the local authority. Good attendance is everyone's responsibility, and we must maintain this and continue to improve. There is currently a renewed drive from the Department of Education and schools must be seen to promote excellent attendance. Whilst we appreciate there are times that children cannot come into school and individual children that we know about have medical conditions that impact on their health, we still need to do everything as a school to promote and celebrate excellent attendance.

Class attendances for this week.

Year Group	Attendance %
Reception	90.7%
Year One	92.6%
Year Two	93.7%
Year Three	94.4%

Year Four	93.8%
Year Five	95%
Year Six	95.3%

Well done to Year 6 for having the best attendance this week!

The class with the best attendance will receive an extra playtime each week.

Celebration Assembly

Our weekly celebration assemblies will take place at **2.30pm** on a Friday afternoon. Parents are welcome to attend, especially if your child has been awarded a certificate. We wish all of our children and families celebrating Eid, Eid Mubarak! May you have a lovely time with your families and friends.
