Module I: Created and Loved by GOD

Story Sessions: Each learning stage focuses on a different Gospel story, which is repeated in various ways over the week, giving rise to times of discussion, imaginative reflection and creative response, for example, in Key Stage One children will hear and reflect on the story of Jesus telling the little children to come to Him and through imaginative reflection will put themselves into the story to experience Jesus' call personally. In Upper Key Stage Two, the story is that of Jesus calming the storm, and is used to reflect on how whatever might come their way through puberty and beyond, Jesus is with them and will help them.

Leona

I'm Leona and I'm 6 years old. I've got curly brown hair which Mum always says looks like it's been dragged through a hedge backwards. I've got two older brothers who are twins. My favourite colour is yellow like the sun. Can you guess what my favourite thing to do is?

Some of those things are cool, but my favourite thing to do in the world is climb trees with my brothers. They're taller than me so can help me up to the higher branches!

Key Stage One:

- We are uniquely made by a loving God
- We have differences and similarities
- Key information about staying physically healthy
- Understanding feelings and emotions, including strong feelings such as anger

What should she do? - TEETH BRUSHING

- ★ Brush your teeth twice each day, for around 2 minutes
- ★ Visit the dentist every 6 months
- ★ Brushing properly removes plaque - which can cause cavities (holes), toothache, gum disease and even our teeth to fall out!
- ★ It also gives us lovely fresh breath and stops our teeth feeling fuzzy!

Paradise Street is an original drama series for Upper Key Stage Two which follows the story of 4 friends – Finn, Leyla, Marcus and Siobhan – who have different personal and social experiences related to growing up and puberty. Each episode lasts about 10 minutes and is followed by a time of teacher-led discussion with the pupils. Each session also includes an episode of **Delving Deeper into Paradise Street** in which two presenters explore the issues in the drama and provide some teaching for pupils (which also acts as guidance and support for teachers). Each concludes with a time of personal writing in a Module 1 Workbook which will help the pupils to digest and personalise the teaching.

Module 2: Created to Love OTHERS

Module Two: Created to Love Others explores the individual's relationship with others. Building on the understanding that we have been created out of love and for love, this Module explores how we take this calling into our family, friendships and relationships, and teaches strategies for developing healthy relationships and keeping safe.

Module 2: Created to Love OTHERS

Gospel Stories

At the start of each learning stage, we begin with a key Gospel story which provides the religious foundation for the teaching that will follow.
